

Filled with inspiration, I got some shelf paper and made a genealogy from Adam to Jesus, from the ceiling clear down to the floor. Ama took it all over the village, explaining, "We always thought it was the rock and the banana plant that gave birth to people. But we don't have their names written down. Look, here are all the names—written down!"

—from *And the Word Came with Power*

Wycliffe 2008 Calendar

See a world of vibrant colors and amazing people, a world that needs Bible translation. The images of this 13-month calendar highlight three areas of the world with the greatest number of Bible translation needs. Use this calendar as a decoration for home or office and as a reminder to pray for each country represented.

Image of God by Hyatt Moore and artists of Wycliffe Bible Translators

Artists working around the world combine their talents in this amazing book that describes the image of God in all people. Drawings, paintings and sculptures in the book depict the variety of peoples and cultures God created. This colorful coffee-table book is an illumination of "faces and souls that reflect their Creator."
